

Business Networks and RIA Proudly Present:

The Ideal System

for Insurance Restoration Companies

Let's face it, a lot of software producers and consulting companies say that their program will make your company run smoother and increase sales...

How do you know which ones are telling the TRUTH?

What if they don't fix your problem and only create MORE work?

Wouldn't it make sense to group with proven industry leaders?

Rather than commit the SAME mistakes of countless other owners who had to learn everything the HARD WAY, come and join Business Networks. We have over 30 years of experience in matching like companies together to mitigate their weaknesses and exploit their strengths. We have seen what systems work, and which ones don't. If you are ready, we will be Your Co-Pilot for Success.

When: Saturday, November 22nd 2008, From 8:00 AM to 5:00 PM

Where: Hyatt Regency Baltimore
Columbia-Frederick Room
300 Light Street, Baltimore, MD, 21202
